My dear Sir,

Dated Bangalore, 18th August 1920.

SIR,

I am directed to forward for the information of the Durbar a copy of a Royal Proclamation by His Majesty the King Emperor of India, regarding the postponement of the visit of the Prince of Wales to India.

I have the honour to be,
Sir,
Your most obedient servant,

First Assistant Resident

PROCLAMATION BY HIS MAJESTY THE KING EMPEROR OF INDIA.

---:0:---

George V by grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the seas King Defender of the Faith Emperor of India para to my Viceroy and Governor General to Princes of Indian States and to all my subjects in India of whatsoever race or creed greetings para in our message to you of December 23rd. 1919. We assured you of our affection and goodwill and of the deep interest with which we welcomed coming stage of political development in India. AAA. As a signal token of our interest and regard we expressed our hope that our dear son the Prince of Wales would visit India next winter and inaugurate on our behalf both the reformed legislature and chamber of Princes AAA That ~~hope~~ hope unhappily cannot be realised. AAA The unceasing and devoted labours of our son in other parts of our empire have laid so heavy a burden upon his strength that it would not be possible for him at so early a date to undertake another protracted and arduous journey without assured danger to his health para we have accordingly that his visit to India must for the present be ~~deffered~~ deferred. AAA To this decision we have come with a full appreciation of the disappointment which it will cause to ~~Ix~~ Princes and peoples of India but we are confident that they will share our anxiety to safeguard the health of our dear son para it is our full intention that the Prince of Wales shall make himself personally acquainted with our Indian Empire its loyal Princes and its many interests and we purpose if ~~He~~ he has by then recovered from fatigues of present labours visit ~~now postponed~~ shall be accomplished in winter next year para Meanwhile it remains our desire to mark in a special manner our sense of momentous step which India is now taking towards greater constitutional freedom para although it has not pleased Providence that our dear son should carry our greetings on this occasion we shall send in his stead our uncle His Royal Highness Field Marshall the Duke of Connaught to inaugurate on our behalf the Chamber of Princes the Council

of State and Indian Legislative Assembly to take his part in other ceremonies which he would have performed and to convey to Princes and peoples of India the messages which it had been our hope to entrust to him.
